**RESOLUTION NO. 48-2018—SEXUAL HARASSMENT POLICY**

Councilman Wolcott offered the following:

**TOWN OF OAKFIELD**  
**SEXUAL HARASSMENT POLICY**

**INTRODUCTION**

The Town of Oakfield is committed to maintaining a workplace free from Sexual Harassment. Sexual Harassment is a form of workplace discrimination. All employees are required to work in a manner that prevents Sexual Harassment in the workplace. This policy is one component of the Town of Oakfield's commitment to a discrimination-free work environment. Sexual Harassment is against the law and all employees have a legal right to a workplace free from Sexual Harassment and employees are urged to report Sexual Harassment by filing a complaint internally with the Town of Oakfield. Employees can also file a complaint with a governmental agency or in court under federal, state, or local anti-discrimination laws.

**POLICY:**

1. Town of Oakfield's policy applies to all employees, applicants for employment, interns, whether paid or unpaid, contractors, and persons conducting business, regardless of immigration status, with the Town of Oakfield. In the remainder of this document, the term “employees” refers to this collective group.
2. Sexual harassment will not be tolerated. Any employee or individual covered by this policy who engages in sexual harassment or retaliation will be subject to remedial and/or disciplinary action (e.g., counseling, suspension, termination).
3. Retaliation Prohibition: No person covered by this policy shall be subject to adverse action because the employee reports an incident of sexual harassment, provides information, or otherwise assists in any investigation of a sexual harassment complaint. The Town of Oakfield will not tolerate such retaliation against anyone who, in good faith, reports or provides information about suspected sexual harassment. Any employee of the Town of Oakfield who retaliates against anyone involved in a sexual harassment investigation will be subjected to disciplinary action, up to and including termination. All employees, paid or unpaid interns, or non-employees working in the workplace who believe they have been subject to such retaliation should inform a supervisor, manager, or the Town Supervisor. All employees, paid or unpaid interns, or non-employees who believe they have been a target of such retaliation may also seek relief in other forums, as explained below in the section on Legal Protections.
4. Sexual harassment is offensive, is a violation of Town policies, is unlawful, and may subject the Town of Oakfield to liability for harm to targets of sexual harassment. Harassers may also be individually subject to liability. Employees of every level who engage in sexual harassment, including managers and supervisors who engage in sexual harassment or who allow such behavior to continue, will be penalized for such misconduct.
5. The Town of Oakfield will conduct a prompt and thorough investigation that ensures due process for all parties, whenever management receives a

complaint about sexual harassment or otherwise knows of possible sexual harassment occurring. The Town of Oakfield will keep the investigation confidential to the extent possible, Effective corrective action will be taken whenever sexual harassment is found to have occurred, all employees, including managers and supervisors, are required to cooperate with any internal investigation of sexual harassment.

6. All employees are encouraged to report any harassment or behaviors that violate this policy. The Town of Oakfield will provide all employees a complaint form for employees to report harassment and file complaints.
7. Managers and supervisors are **REQUIRED** to report any complaint that they receive, or any harassment that they observe or become aware of to the Town Supervisor.
8. This policy applies to all employees, paid or unpaid interns, and non-employees and all must follow and uphold this policy, This policy must be provided to all employees and should be posted prominently in all work locations to the extent practicable (for example, in a main office, not any offsite work location) and be provided to employees upon hiring.

### **WHAT IS “SEXUAL HARASSMENT”?**

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and possibly local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity, and the status of being transgender.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating,

hostile, or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment.

- Such conduct is made either explicitly or implicitly a term or condition of employment; or
- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of an unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions, or privileges of employment. This is also called "quid pro quo" harassment.

Any employee who feels harassed should report so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

### **EXAMPLES OF SEXUAL HARASSMENT**

The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited:

- Physical acts of a sexual nature, such as:
  - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body or poking another employee's body;
  - Rape, sexual battery, molestation or attempts to commit these assaults.
  
- Unwanted sexual advances or propositions, such as:
  - Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion, or other job benefits or detriments;
  - Subtle or obvious pressure for unwelcome sexual activities.
  
- Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.
  
- Sex stereotyping occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
  
- Sexual or discriminatory displays or publications anywhere in the workplace, such as :
  - Displaying pictures, posters, calendars, and graffiti, and objects, promotional materials, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
  
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity and the status of

being transgender, such as:

- Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
- Sabotaging an individual's work;
- Bullying, yelling, name-calling.

## **WHO CAN BE A TARGET OF SEXUAL HARASSMENT?**

Sexual harassment can occur between any individuals, regardless of their sex or gender, New York Law protects employees, paid or unpaid interns, and non-employees, including independent contractors, and those employed by companies contracting to provide services in the workplace. Harassers can be a superior, a subordinate, a coworker or anyone in the workplace including an independent contractor, contract worker, vendor, client, customer or visitor.

## **WHERE CAN SEXUAL HARASSMENT OCCUR?**

Unlawful sexual harassment is not limited to the physical workplace itself. It can occur while employees are traveling for business or at employer sponsored events or parties. Calls, texts, emails, and social media usage by employees can constitute unlawful workplace harassment, even if they occur away from the workplace premises, on personal devices or during non-work hours.

## **RETALIATION**

Unlawful retaliation can be any action that could discourage a worker from coming forward to make or support a sexual harassment claim. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g. threats of physical violence outside of work hours).

Such retaliation is unlawful under federal, state, and (where applicable) local law. The New York State Human Rights Law protects any individual who has engaged in “protected activity.” Protected activity occurs when a person has:

- made a complaint of sexual harassment, either internally or with any anti-discrimination agency;
- testified or assisted in a proceeding involving sexual harassment under the Human Rights Law or other anti-discrimination law;
- opposed sexual harassment by making a verbal or informal complaint to management, or by simply informing a supervisor or manager of harassment;
- reported that another employee has been sexually harassed;
- Encouraged a fellow employee to report harassment.

Even if the alleged harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of harassment.

## **REPORTING SEXUAL HARASSMENT**

**Preventing sexual harassment is everyone's responsibility.** The Town of Oakfield cannot prevent or remedy sexual harassment unless it knows about it. Any employee, paid or unpaid intern, or non-employee who has been subjected to behavior that may constitute sexual harassment is encouraged to report such behavior to a supervisor, manager or the Town Supervisor. Anyone who witnesses or becomes aware of potential instances of sexual harassment should report such behavior to a supervisor, manager or the Town Supervisor.

Reports of sexual harassment may be made verbally or in writing. A form for submission of a written complaint is attached to this Policy, and all employees are encouraged to use this complaint form. Employees who are reporting sexual harassment on behalf of other employees should use the complaint form and note that it is on another employee's behalf.

Employees, paid or unpaid interns or non-employees who believe they have been a target of sexual harassment may also seek assistance in other available forums, as explained below in the section on Legal Protections.

### **SUPERVISORY RESPONSIBILITIES**

All supervisors and managers who receive a complaint or information about suspected sexual harassment, observe what may be sexual harassing behavior or for any reason suspect that sexual harassment is occurring, **ARE REQUIRED** to report such suspected sexual harassment to the Town Supervisor.

In addition to being subject to discipline if they engaged in sexually harassing conduct themselves, supervisors and managers will be subject to discipline for failing to report suspected sexual harassment or otherwise knowingly allowing sexual harassment to continue.

Supervisors and managers will also be subject to discipline for engaging in any retaliation.

### **COMPLAINT AND INVESTIGATION OF SEXUAL HARASSMENT**

All complaints of information about sexual harassment will be investigated, whether that information was reported in verbal or written form. Investigations will be conducted in a timely manner, and will be confidential to the extent possible.

An investigation of any complaint, information or knowledge of suspected sexual harassment will be prompt and thorough, commenced immediately and completed as soon as possible. All persons involved, including complainants, witnesses and alleged harassers will be accorded due process, as outlined below, to protect their rights to fair and impartial investigation. An employee may be required to cooperate as needed in an investigation of suspected sexual harassment. The Town of Oakfield will not tolerate retaliation against employees who file complaints, support another's complaint or participate in an investigation regarding a violation of this policy.

While the process may vary from case to case, investigations should be done in accordance with the following steps:

- Upon receipt of complaint, the Town Supervisor will conduct an immediate review of the allegations, and take any interim actions (e.g. instructing the respondent to refrain from communications with the complainant), as appropriate. If the complainant is verbal, encourage the individual to complete the "Complaint Form" in writing. If he or she refuses, prepare a "Complaint Form" based upon the verbal reporting.
- If documents, emails or phone records are relevant to the investigation, take steps to obtain and preserve them.
- Request and review all relevant documents, including electronic communications.
- Interview all parties involved, including any relevant witnesses;
- Create a written documentation of the investigation (such as letter, memo or email), which contains the following:
  - A list of all documents reviewed, along with a detailed summary of relevant documents.

- A list of names of those interviewed, along with a detailed summary of their statements;
- A timeline of events;
- A summary of prior relevant incidents, reported or unreported; and
- The basis for the decision and final resolution of the complaint, together with any corrective action(s).
- Keep the written documentation and associated documents in a secure and confidential location.
- Promptly notify the individual who reported and the individual(s) about whom the complaint was made of the final determination and implement any corrective actions identified in the written document.
- Inform the individual who reported of the right to file a complaint or charge externally as outlined in the next section.

## **LEGAL PROTECTIONS AND EXTERNAL REMEDIES**

Sexual harassment is not only prohibited by the Town of Oakfield, but is also prohibited by state, federal and where applicable, local law.

Aside from the internal process at the Town of Oakfield, employees may also choose to pursue legal remedies with the following governmental entities. While a private attorney is not required to make a complaint with a governmental agency, you may seek the legal advice of an attorney.

In addition to those outlined below, employees in certain industries may have additional legal protections?

### **STATE HUMAN RIGHTS LAW (HRL)**

The Human Rights Law (HRL), codified as N.Y. Executive Law, art. 15, § 290 et seq., applies to all employers in New York State with regard to sexual harassment, and protects employees, paid or unpaid interns and non-employees, regardless of

immigration status. A complaint alleging violation of the Human Rights Law may be filed either with the Division of Human Rights (DHR) or in New York State Supreme Court.

Complaints with DHR may be filed any time **within one year** of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, **within three years** of the alleged sexual harassment. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to the Town of Oakfield does not extend your time to file with DHR or in the court. The one year or three years is counted from the date of the most recent incident of harassment.

DHR will investigate your complaint and determine where there is probable cause to believe that sexual harassment has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If sexual harassment is found after a hearing, DHR has the power to award relief, which varies but may include requiring your employer to take action to stop the harassment, or redress the damage caused, including paying of monetary damages, attorney's fees and civil fines. New

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, and Bronx, New York 10458. You may call (718) 741-8400 or visit: [www.dhr.ny.gov](http://www.dhr.ny.gov).

Contact DHR at (888) 392-3644 or visit [dhr.ny.gov/complaint](http://dhr.ny.gov/complaint) for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

## **Civil Rights Act of 1964**

The United States Equal Employment Opportunity Commission (EEOC) enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint, and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court.

The EEOC does not hold hearings or award relief, but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. In general, private employers must have at least 15 employees to come within the jurisdiction of the EEOC.

An employee alleging discrimination at work can file a “Charge of Discrimination.” The EEOC has district area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (TTY 1-800-669-6820), visiting their website at [www.eeoc.gov](http://www.eeoc.gov) or via email at [infor@eeoc.gov](mailto:infor@eeoc.gov).

If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

## **Local Protections**

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists. For example, employees who work in New York City may file complaints of sexual harassment with the New York City

Commission on Human Rights. Contact their main office at Law Enforcement Bureau of the NYC Commission on Human Rights, 40 Rector Street, 10<sup>th</sup> Floor, New York, New York; call 311 or (212) 306-7450; or visit [www.nyc.gov/html/cchr/html/home/home.shtml](http://www.nyc.gov/html/cchr/html/home/home.shtml).

### **Contact the Local Police Department**

If the harassment involves unwanted physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the local police department.

### **RESOLUTION NO. 49-2018—LATERAL RESTRICTIONS ADJACENT TO THE TOWN OF ALABAMA WATER DISTRICT NO. 2**

Councilman Kabel offered the following:

#### **TOWN OF OAKFIELD ALABAMA WATER DISTRICT No. 2 LATERAL RESTRICTIONS RESOLUTION**

**WHEREAS**, the Town Board of the Town of Oakfield recognizes that there is land located adjacent to the Town of Alabama Water District No. 2 created pursuant to Article 12 of Town Law for the express purpose of providing public water to residents within the Town of Alabama and along portions of Macomber Road (Alabama Phase 3 project) in the Town of Oakfield where a district will not be created; and

**WHEREAS**, a portion of the land within the Town of Oakfield adjacent to the Town of Alabama Water District No. 2 is also within Genesee County Agricultural District No. 2; and

**WHEREAS**, the Town of Alabama, the Phase 3 project sponsor, and Genesee County Economic Development Center (GCEDC), the Phase 4 project sponsor, have jointly filed a Notice of Intent to Undertake an Action Within an Agricultural District to evaluate the impact of providing a source of public water supply within this area on lands within Agricultural District No. 2; and

**WHEREAS**, the New York State Department of Agriculture and Markets (“Department”) has expressed concern about the potential adverse impact that said public water supply is likely to have on agriculture within the Agriculture District, and has requested the adoption of its Lateral Restriction policy to avoid potential adverse impacts to the Agricultural District;

**NOW, THEREFORE, BE IT RESOLVED**, that the Town Board, in recognition of the concerns that have been raised, hereby resolves to adopt the “Lateral Restriction-Conditions on Future Service” specified by the New York State Department of Agriculture and Markets as follows:

**Lateral Restriction - Conditions on Future Service**

The Town of Oakfield imposes the following conditions, as warranted or recommended on the management of water lines located along the portions of Macomber Road adjacent to the Town of Alabama Water District No. 2 within an agricultural district:

- (1) The only land and/or structures which will be allowed to connect to the proposed waterline within an agricultural district will be existing structures at the time of construction, further agricultural structures, and land and structures that have already been approved for development by the local governing body prior to the filing of the Final Notice of Intent by the municipality.

Land and structures that have been approved for development refer to those properties/structures that have been brought before a local governing body where approval (e.g., subdivision, site plan, and special permit) is needed to move forward with project plans and the governing body has approved the action. If no local approval is required for the subdivision of land and/or the construction of structures, the municipality accepts the limitation under Public Health Law §1115 that defines a “subdivision,” in part, as “any tract of land which is divided into five or more parcels.” Water and/or sewer service will not be extended to the fifth and subsequent parcels where no local approval is required and the land is located within a county adopted, State certified agricultural district.

- (2) If a significant hardship can be shown by an existing resident, the lateral restriction to the resident’s property may be removed by the municipality upon approval by the Department. It is the responsibility of the resident landowner to demonstrate that a hardship exists relative to his or her existing water supply and clearly demonstrate the need for public water. The municipality shall develop a hardship application to be filed with the municipality, approved by the County Department of Health, and agreed to by the Department of Agriculture and Markets.
- (3) If it can be demonstrated to the Department’s satisfaction that the landowner requested the county to remove his or her land from an agricultural district at the time of district review and the county legislative body refused to do so, lateral restrictions may be removed by the municipality if the Department determines that the removal of the restriction for the subject parcel(s) would not have an unreasonably adverse effect on the agricultural district.
- (4) If land is removed from a county adopted, State certified agricultural district and the district has been reviewed by the county legislative body and certified by the Commissioner for modification, lateral restrictions imposed by the municipality are no longer in effect for the parcels of land that have been removed from the agricultural district.
- (5) Hydrants and valve boxes must not be placed directly in agricultural fields.
